

Thunderbolt Marine Mission

TMI President Ralph Heil

Following building our business for seven years by dedicating a formerly mixed use marine facility strictly to the repair and refit of yachts of all sizes up to 200 ft. we have cultivated a dedicated, repeat clientele and word of mouth referrals with significant success. This success has motivated us to invest in facility improvements specialized in yacht repair, which are among the finest in the world. As we work on the improvement and expansion of our facility and skilled workforce we are confident that most clients will recognize the advantage of dealing with a reputable, 40 year old, solvent enterprise. In providing thorough advance information and solid agreements we strive to exceed client expectations by pursuing a consistent professionalism that permeates our organization. In requesting advance work lists for accurate resource scheduling, we anticipate that clients recognize the collaborative nature of our relationship. In order to satisfy clients' expectations in conjunction with those of other vessels in the yard, we need to know what those expectations are including specifications. TMI's work order development and pricing policies are intended to prevent surprises. We clearly document agreements and pricing. We take pride in following highly reputable and ethical practices with emphasis on customer service and follow up when customers have left the yard. We will be pleased and honored to conduct business with you when the opportunity arises. Please feel free to contact me at +1 912 352 4931 with any inquiries.

Collaborative Efforts and Full Time Support

TMI Management & Workforce

We recognize our client's need for quality work, at a competitive price in a determined schedule. That is why, as part of Thunderbolt Marine's style, we pride ourselves on working with our clients in a collaborative effort in developing work lists, schedules and pricing. In the highly dynamic nature of the marine repair industry our team is equipped to work through the project plan to make sure our client's expectations are met. Our approach at creating solid quotes, with detailed specifications, that are mutually agreed upon eliminates billing surprises. We are excited about the opportunities the expansion of our facilities and workforce is going to offer our clients. We look forward to working with you in the future.

A Look at 2010

We want to thank the Owners, Captains & Crews of; Kanaloa (158' CRN), Kisses (175' Feadship), Huntress (181' Feadship), Lady Ann Magee (163' Codecasa), SiSiSi (97' Santa Margherita), Zakouska (87' Warren), Lazy Z (168' Oceanco), Domani (145' Benetti), Norwegian Queen (164' Trinity), Deniki (172' Amels), Gran Finale (147' Delta), Fighting Irish (145' Westship), Katya (151' Delta), Rice Quarters (100' Hatteras), Sovereign (120' Broward), Far Bay (72' Farr Design), Front Row (87' North Coast), Louisa (71' Sangermani), Swamp Fox (77' Swan), Feadship Chantal Ma Vie (ex-Enterprise V) extended to 180ft. These are a few of the many vessels we serviced

Service Before and After Your Yard Period

TMI is here to help you get ready for your next yard period. Our current and long time clients already know, Thunderbolt Marine's Purchasing Department is always available to help source and ship your parts to your vessel anywhere in the world. We'll work with you to locate those difficult to find items. Yard time doesn't mark the beginning or end of help from your parts specialists.
